

CRYSTAL TOMATO®

About Vennbio

Vennbio

Nutriceutical

Vennbio is a Malaysia-based distributor of supplement and skin care lines for medical professionals. The company involves constant research and investment in finding the most innovative yet safe solutions, which aesthetic doctors can rely on for treatments of various cosmetic conditions.

Currently, Vennbio distributes a variety of supplement and skin care products to hospitals and clinics nationwide. All product lines have been registered and approved by Kementerian Kesihatan Malaysia and Biro Pengawalan Farmaseutikal Kebangsaan, which offers the assurance that these products are reliable and of the best quality. The company has set up headquarter in Kuala Lumpur, with branch offices in Northern, Southern, and East Malaysia.
